A Message from Brandon:

After retiring from professional hockey as a player in 2019, and moving back to Victoria, I started the Brandon Wong Hockey Training and Coaching Development company. I remember the early days, training my first few clients.

After only a few years, I am thankful for the community's growth. We have seen our boys and girls, men and women accomplish their goals and dreams, both on and off the ice. We have trained over 1000 athletes through our on and off ice skill development sessions, dryland training, online coaching, mentorship and advising services.

I am looking forward to the future and the continued growth of our company in Victoria, as well as globally. Our company plans go beyond only assisting players and coaches. We are working towards providing services and educational opportunities for parents, as well as building our presence and impact in the community.

I would like to personally thank you for your continued support.

Sincerely,

Brandon Wong

At BW Hockey, we value the relationships we share with our local community. We believe that sport has the power to unite families and the local community. We are dedicated to breaking down barriers to get more kids into organized sports and physical activities.

As we continue to grow and develop as a company, we hope to continue to build our presence in the community. However, we cannot do this alone. With this being said, we are seeking local businesses who align with these values and share this vision of ours.

We are excited to continue a few charitable initiatives, in which your business can partake in these efforts.

BIGGEST ASSIST AWARD

Our commitment to Community Service and Volunteering, we aim to encourage our BW Hockey community to lend a hand and support local charitable organizations within Vancouver Island.

The Biggest Assist Award will be granted to individuals who complete a minimum of 25 hours of Community Service and Volunteering, at a local Charity of their choice.

The initiative will award the following prizes and charitable donations:

Participants will have the opportunity to win a Signed and Framed Hockey Jersey of a local hockey celebrity.

Additionally, through the Biggest Assist Award, donations of \$2,000 will be presented to the charity that the winners have volunteered at.

COMMUNITY CARES INITIATIVE

Our commitment to Equity and Inclusion, we hope the Community Cares Initiative can help relieve the financial burden that is required to participate in Hockey and sports.

Through the Community Cares Initiative, players and families can be nominated by their fellow teammates, coaches, or local Hockey Association.

Although we cannot assist everyone in need, we will do our best to identify recipients deserving to be awarded the benefits of this initiative.

The initiative will award the following:

\$500 Voucher for the purchase of Hockey Equipment at Kirby's Source for Sports

Full Compensation for Participation in BW Hockey Summer Skills Academy (Approx. Value \$1,000)
